

Introduction to Engineering Lab Kit

Used by ABET accredited educational institutions nationwide to modernize engineering instruction

Comprehensive

Includes 12 hands-on insightful activities, each showcasing a unique field of engineering

Adaptable

Designed for class sizes of 5 – 500+ students, deliverable in-person or asynchronously online

Engaging

Strengthens student engagement and comprehension, reflected in improved course feedback

Trusted

Proudly serving the University of Florida since 2023

“I enjoyed this lab a lot. I have never done something like this in an online course, and I appreciate the time and effort put in to set up and create this lab.” – UF EGS1006 Student
